

19th INTERNATIONAL MULTIDISCIPLINARY SCIENTIFIC GEOCONFERENCE SGEM 2019

WORKSHOP PROPOSAL – SGEM 2019

Dear Workshop Conductor,

Thank you for the interest shown in the 19th International GeoConference SGEM2019.

Please use this form to provide the details of your proposed workshop session. We kindly ask you to fill in this form and submit it to workshop@sgem.org with the reference 'Workshop Session Proposal' in the subject line.

Please note that submission deadline is MARCH 18, 2019!

On behalf of the SGEM Conference Committee, thank you for your kind willingness to contribute to the 19th edition of the International GeoConferences SGEM2019.

We look forward to your workshop session presentation.

I. Proposed Workshop Title:

II. Description:

Brief description of the workshop theme and its main goals. The importance of the theme should be clearly highlighted. Please present your ideas for the workshop and how you plan to conduct it. If there are any requirements for participants' skills, please specify this information in the description.

III. Preliminary Agenda:

Please write work plan of your proposal and choose duration.

- Type A: total duration 1.30 hour, including discussion;
- Type B: total duration 2.30 hours, including discussion.

Example:

1. Introduction (presenter(s)/duration);
2. Topic/Subtopic presentations (presenter(s)/duration);
3. Case Studies (presenter(s)/duration);

4. Panel and Participant Hands On Exercise and Discussion (presenter(s)/duration).

IV. Discussion

Point out the main topics/questions of the discussion and the results you expect to receive. Please give short information about the way of the discussion and how are you going to involve the workshop participants in it.

Please indicate to what audience your workshop is focused to?

V. Lecturer(s)

Every presenter should present himself by his research experience and major publications relevant to the workshop theme.

VI. TECHNICAL REQUIREMENTS

What conditions do you require, i.e. what kind of physical environment?

- Lighting/Sound/AV/Any other tech required: ...
- Space requirements: ...
- Additional information (*please provide any other details that need to be considered, such as potential health and safety hazards, age restrictions, ethical issues etc.*): ...

(N.B. Please indicate which elements you will want us to provide and which elements you will bring by yourself. The congress centre technical capabilities will be limited, so please be as self-contained as possible.)

Please provide us your telephone number, for organizational purposes:
